

# MDA WORKSHOP

MATEMÁTICA DISCRETA E APLICAÇÕES

10 YEARS

MDA (Discrete Mathematics and Applications) is a Brazilian scientific event which brings together researchers from renowned research centers in the field of Discrete and Combinatorial Mathematics, and students and teachers from public high schools.

**December 5th, 2022**

**11.00 am**

**Remote**

*Invited speakers:*

**Celina de Figueiredo**  
COPPE/UFRJ, BRAZIL

**Sylvain Gravier**  
CNRS/UGA, FRANCE

**Steering Committee:**

*Simone Dantas (UFF)*

*Telma Pará (FAETEC-RJ)*

MDA is an event of the Brazilian Antenna of Mathematics: [www.antenabrasil.uff.br](http://www.antenabrasil.uff.br)

*Participate!*  
*Free registration*
